A Message from the Lodge President

Greetings members!

This will be my last letter as my term on the board has come to an end! There are so many people to thank, I'm not going to try to name them all I'm simply going to say thank you!

The accomplishments of the last 2 boards have not gone unnoticed. We started 2 years ago with a plan to make some small repairs to the lodge as coming out of the pandemic there were many things that needed attention. What was accomplished was never imagined! The repairs and upgrades to the lodge have made a huge difference, thank you to everyone that played a roll. We still have some minor things to finish up over the course of the next few weeks but to say we are in a much better place would be putting it lightly.

To the membership thank you for believing in us over the last few years to make the decisions and supporting us when we came to the membership meetings seeking your approval. We have made a huge difference in the community through our fundraising, as well as the partnerships we have been able to make. One of the best ways to judge where we are and if we are headed in the right direction is through our membership, based on the growth we have seen it's safe to say things are looking really good!

By the time this reaches you the new board of officers will be in place. I ask that the membership show them the same support that it has shown the last 2 boards! We have capable and willing people on the board, remember though it takes everyone! If you're interested in getting involved, please reach out, there's always something that needs to get done or an event that could use some help!

For me, it's goodbye from the elected position, I will still be on the board as the past president. I will still be involved with many of the events that I have chaired and will continue. The car show is being planned now, the comedy night has been scheduled, the banquet planning will start before long. So, it's not goodbye completely but it will be a nice break from many of the day-to-day things that I have been involved with!

Thank you all again!

Outgoing President,

Chad

A Message from the Administrator

Greetings Moose brothers and sisters.

How's everyone doing since the last newsletter. I'm hoping this finds everyone doing well and looking forward to summer. To say last year was great would be an understatement. Our membership goal for the end of the year, was 299. We ended the year with 343 member and we shattered our application goal. I'm hoping everyone is looking forward to events that we'll be doing, such as bingo and the car show.

Fraternally,
DC
