# **A Message from the Lodge President**

**Greeting Brothers and Sisters of the Moose,**

**I wanted to give everyone an update on our parking lot resurfacing project. The lateral work that needs to be completed is moving forward, but it has been progressing more slowly than we had hoped. At this time, we are waiting on the necessary paperwork and approval from Moose International before we can move ahead.**

**Because of the ongoing lateral issue, we have not been able to schedule many events. Unfortunately, we cannot use the kitchen at its full capacity until the project is completed, which limits what we can offer.**

**Even with these challenges, I am proud of what our lodge has accomplished over the past three months. Together, we have supported several nonprofit organizations and community efforts, including the Police Rodeo, the Gellings Family, Orange Cross, Pawtism, and the Deland Receiving Home. Thank you to everyone who has volunteered their time and contributed to these worthwhile causes.**

**I would also like to remind everyone that the kitchen is restricted to authorized volunteers only. For liability and safety reasons, members who are not volunteering should not be in the kitchen. Accidents such as slips and falls can happen quickly, and we want to ensure everyone's safety while protecting our lodge.**

**Finally, I want to sincerely thank each and every one of you for everything you do for our lodge. Whether you're volunteering at events, helping behind the scenes, or lending a hand wherever it's needed, your dedication makes a tremendous difference. Your commitment to our lodge and our community is greatly appreciated, and together we continue to make our lodge stronger.**

**Thank you all for your continued support.**

# A Message from the Administrator

Greetings Moose brothers and sisters.

I hope this finds y'all doing well and looking forward to summer. I look forward to seeing y'all at the lodge for a cold drink, good food and camaraderie. We have our wonderful bingos going on July 18th and August 15th.

I like to give a big thanks to all who supported the First Responders brat fry. The young lady who ran the event said it was a huge success and looks forward to doing it again.

As a reminder last month the number system to order food changed. The bartenders will not automatically give you a number. You will need to let them know that you are ready to order. This will alleviate the numbers given out and the members not wanting to order at that time and confusing the bussers and cook. For any questions, talk to a bartender or board member.

As always if you have any questions, comments or concerns, please let me know.

As a reminder to all members. Only board members, bartenders and kitchen staff are allowed in the kitchen. If you're not one of those, please do not cross the door threshold of the kitchen. If you need something like a to-go container or extra sauce, wait for the busser to come out or ask the bartender to ring them. Accidents happen quickly in a kitchen and there is no reason to put yourself in that position.

As a friendly reminder. If you're talking with someone and their food order comes out, please let them eat. You can always go back and talk with them once they're done eating. Let them enjoy a nice hot meal.

Fraternally,  
Donald Cordle II  
Administrator
