A Message from the President (formerly Governor)

Greetings Lodge Members!

It's been a year already, where has the time gone? By the time you receive this newsletter elections will have taken place and a new board will have been elected. I would like to take a minute to recognize the three board members that have chosen not to run for reelection. Larry Leonhardt, Kerry Smith, and Jim Klabecek I would like to personally thank you for your dedication of time and service to the lodge and the fraternity and for your involvement in the many accomplishments over the last year.

I truly feel that the lodge is continuing in a positive direction and that much of the work that has been accomplished over the last year will play a role in the sustainability of the lodge for many years to come. We've managed to complete many updates to the exterior as well as the interior of the lodge making a Lodge a warmer and comfortable atmosphere. Membership has continued to grow and I'm confident that this will continue for the foreseeable future.

Additionally shortly before this newsletter was completed the lodge wrapped up the 2022 Wisconsin state moose association bowling tournament. This was a large undertaking that didn't come without apprehension and concerns voiced by much of the membership. I'm glad to be able to report that the tournament is complete! To say that it was a success would be putting it mildly. To all of the members that assisted in making this happen thank you. It was truly a team effort as we needed volunteers both at the bowling alley and at the lodge. This couldn't have happened without all of YOU, thank you all again!

I would also like to mention one of the things that I most proud of. Starting back in September 2021 I propose to both the board and the membership that the lodge start a program to raise funds for local groups and or nonprofits to provide monetary assistance to these programs. It was decided that the membership could place suggestions for groups and organizations locally that would possibly benefit from funds that we were able to raise. The board would then vet these organizations to make sure that they are in fact legitimate and local. Each month a different group would be drawn at random and funds would be raised for that month. The funds would then be turned over to the group selected. The program in my opinion has been a huge success as donations have been made monthly of at least \$500 to the chosen organizations. If you have ideas for groups and organizations, there is a suggestion box in the social quarters. Please drop a note with the name of the organization and we will get them into our rotation.

Looking ahead our in-house bar bingo will be back starting in May, we will discuss its continuation during the summer months but have already scheduled dates from September through the end of the year. Additionally we have booked a comedy night for Saturday, November 5th more information will be posted at a later date! Also we will be hosting a meat raffle fundraiser for the Sheboygan County Shop With a Cop program in October, again more information will be posted at a later time!

Lastly don't Forget that we have two car shows coming up in July. First we will be participating in a Jeep show Saturday July 16th to benefit Truman and his family as he continues to battle cancer. Second we will be hosting our Lodges annual car show the week after on Sunday July 24th. Watch for sign-up sheets at the lodge, as well, we will be looking for volunteers at both events!

Fraternally,
Chad Gross

A Message from the Administrator

Hello all Moose brothers and sisters.

Normally I like to start with good news, sadly I have two announcements to make. On April 13th 2022 we lost Moose International Chairman of the Board Paul W. Curtis. On April 23rd we lost Wisconsin Moose Association Goodwill Ambassador Kevin Wanggaard. Most of you meet both last year when the C.O.B. visited our lodge. I took the office of Administrator March 16th 2020, they closed all bars the next day. You talk about someone worrying, that was a rough year. We started the 2021-2022 year off a little rocky, but ended on a high note. Our little lodge is 1st in charitable giving's to Moose International. Beating out the bigger lodges per member giving, we're at over \$10 per member. Were also leading the pack with members gain this year with 49 new members. I had a lodge visit with our Territory Manager on April 22nd and he was going over the numbers with me. He had nothing but good words for our lodge. We're doing great things in our community, for Moose International and on the fraternal side. I'm hoping we do even better for the 2022-2023 year and go out on top once again. Lastly I would like to give a personal thanks to a few board members that this was their last year on the board. To Kerry Smith, Jim Klabecek and Larry Leonhardt, thanks for your time on the board and everything you did to help the lodge and members. I really appreciate everything you all did. As always if anyone has any questions or need to get ahold of me. You can either email me at lodge438@mooseunits.org or call me at 920-917-0957
